Full LiveStream Service at Dynamic European Championships

EPBF and Kozoom will bring the EC to your homes

Tuesday, 13 March 2012: The upcoming 2012 Dynamic European Championships for Men, Women and Wheelchair athletes will be broadcasted in a new dimension.

The new media partner for the EPBF, Kozoom Productions, will Stream all 24 tables LIVE during the duration of the event. This means hundreds of hours of LIVE pool action!

One table will be the feature table with several cameras and most matches which were recorded on that table will be edited afterwards and filed in the archive of <http://www.kozoom.com/en/pool-billiard/>. In order to have full access to all features of the Kozoom website, one must register and log in to the site. Then, passes can be purchased in order to be able to watch all the action live. An express pass for 48 hours, a monthly premium pass with automatic renewal (credit card required) for 10,-€/month or an annual pass for 96,-€ for one year are available to all registered members. Once the member has upgraded to the express or premium pass, he will be able to watch all matches live, enjoy the recorded and edited

matches from the feature table, see photos of the event, read news from the Championships, read through the forum, see the instructional page, etc. This brand new website had its baptism of fire during the recent Euro-Tour in Sarajevo. Hundreds of pool fans from all over the World were able to convince themselves of the superb quality of the website and its features. This is a “must have” for all pool fans!

The event will be hosted by the European Governing Body for Pool, the European Pocket Billiard Federation (EPBF) and organized by International Billiard Promotion (IBP). For further information and reference please go to the federation website www.eurotouronline.eu, follow us on twitter @EPBF_News or contact our press office.
